

COVID-19 RESPONSE

During these event, Alder Glass & Alum. will remain open during our normal business hours to serve our customers for the time being. However, we are closely following the recommendations and bans coming from the federal and local authorities. We are concerned with the wellbeing of our staff and clients alike, we will be taking precautions to ensure everyone's health. These measures include but are not limited to; personal space of 1-2 meters, washing hands regularly, use of gloves, use of hand sanitizer, avoiding hand contact, wiping down surfaces with disinfectant, instructing staff to stay at home if they are not feeling well and observe the 14 day quarantine if needed.

We ask our customers to, whenever possible, avoid coming to our office and to please call or email to schedule service or place orders. If you do need to pick up products, we will be available to help. However, we would like to remind everyone to adhere to the recommendations as outlined above.

For the time being we will continue attending to homes and businesses for estimates or to service your windows and doors. Proper care will be taken as outlined above. We ask our customers to assist us during this time. If you are self quarantined or feeling unwell, please advise us and we will reschedule at a later date. We do reserve the right to refuse service if the precautions cannot be observed, and we ask for your cooperation to ensure the safety of everyone.

Stay healthy and happy,

Management and staff of Alder Glass
